

### Conditions of Contract

1. The supplier shall abide by supplying the required items according to what is mentioned in the annexed supply order, depending on the specifications mentioned in the price quotation provided by ACT. It also undertakes to abide by the required conditions and specifications without any prejudice or delay.
2. The supplier shall commit to carry out all transport procedures to ACT's office or its partner's offices within the specified time without any additional demands.
3. The supplier shall commit to immediately supply all items and quantities mentioned in the supply order once receiving the supply order and signing the agreement.
4. ACT shall be eligible to not receive and return any items or quantities which violate or do not comply with the specifications mentioned in the price quotation provided by supplier.
5. ACT shall be eligible to not receive and return any items or quantities which violate or do not comply with the samples provided by the supplier.
6. The supplier acknowledges that all supplied items will be brought using legal and official methods. It undertakes to provide evidence for that upon the request of ACT during the supply period.
7. ACT shall be entitled to unwind contracts in case of conditions beyond its control and to terminate this contract, provided that the supplier shall not be eligible to demand any financial or legal rights.
8. The supplier shall commit to present a source deduction certificate to ACT to submit it to tax authorities.
9. ACT shall abide by applying all dues of the supplier within thirty days of receiving all required items and their invoices as agreed upon, in accordance to a financial claim provided by the second party.
